The MAC Classic 2024

Thank you for supporting the 2024 edition of the bi-annual MAC Classic run.

The Sports and Classis section of the club, headed by Vice President Tony Harrison, has again poured plenty of hours into delivering a professional event, with four starting locations where all roads lead to Shelsley. I am sure you will find the varied road sections both challenging and enjoyable in equal measure.

I look forward once again to being part of the welcoming team to greet you at Shelsley. The event falls later in the calendar than in previous years so the competition season will be well underway and the venue, which has seen so many famous names since 1905, will be looking resplendent for your arrival.

Since the last MAC Classic, the venue has changed a little. Last year we welcomed the Memories catering team as our on-site catering partner. The quality of food and level of service has been superb and Wayne and his team will be on hand with refreshments during the afternoon. Please do wander the site and you will see plenty of evidence of recent investment in facilities; refurbishment of the restaurant, paddock toilets and the rebuilding of the granary and coach barn. It is activities like the MAC Classic which generate funds to allow the club to undertake such work.

The competition hill climb season is underway at Shelsley. The club management team has worked hard to plan seven great weekends of hill climbing, including two British Championship events and an action-packed Classic Nostalgia. The popular Breakfast Clubs and Cars in the Valley continue throughout the year, to support the social side of the club. Membership provides free access to all these activities and more, so please do consider joining the club, if the chance to visit Shelsley frequently appeals.

Once again thank you for supporting the MAC Classic and I do hope you have a safe, reliable, enjoyable day and return to Shelsley again soon.

Mark Harrison

Chairman – Midland Automobile Club

The MAC Sports and Classics Committee is grateful for the support of the following to ensure the success of today's event:

'TULIP' Route Instructions

The route is indicated by a series of symbols, which, as examples, should be interpreted as follows:

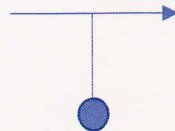

**Cross Roads,
Straight on**

**Cross Roads,
Turn left**

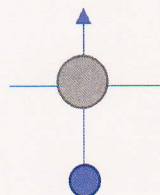

**T Junction,
Turn right**

Turn Left

**Roundabout,
Straight on**

If you have a 'trip' on your speedometer, set it as 00.00 before you start.
You should be travelling from the dot and going in the direction of the arrow.
Keep on the same road unless directed otherwise.

Midland Automobile Club Membership

If you have enjoyed today and are not already a member of the Midland Automobile Club, the membership details below may be of interest to you.

By becoming a member, you would have free entry to all the MAC hill climb events at Shelsley Walsh, including our flagship event Classic Nostalgia in July and the opportunity to enjoy the Club's social events, Breakfast Club and Cars in the Valley.

We also run two members days during the year, whereby the members can enjoy a few runs up the hill, for an additional charge.

Membership would also entitle you to participate in the Sports and Classics tour days which are run three times a year. These are tulip routes much as you have driven today, covering about 60 miles and finishing at a place of interest. There is a small additional charge for the tour days. In addition, the Sports and Classics Committee organises a UK break, usually about four days, and a longer continental trip each year.

The membership runs from January to December each year; to become a single member this would be £110.00 and will include a member and a guest pass. To become a joint member this would be £185.00 and includes 2 member passes and 2 guest passes.

To join the MAC, please go on to our website at www.shelsleywalsh.com/membership

We look forward to seeing you at Shelsley Walsh again soon.
